Thank you for your interest in Hill House's Scholarship Program. We are proud to award financial aid to applicants each year. It is our hope that Hill House classes, athletics and summer camps remain accessible year-round to families and children of all financial backgrounds. While our program fees are kept competitively low, we recognize the issue of affordability. To assist participants in meeting this challenge, we allocate scholarships on a need-base each season.

Please take note of seasonal deadlines and remember that each season is its own entity. Applicants must submit an updated scholarship form and W2 each season. Scholarship applicants are asked to pay a minimum of 25% of the Hill House Member program fee. Applications and all supplemental materials must be received by the seasonal dates below. **Late applications will not be considered.**

A separate Hill House Scholarship Application must be submitted for each applicant.

DEADLINES

Fall Applications will be accepted through August 1

Winter Applications will be accepted through November 1

Spring Applications will be accepted through February 1

Summer Applications will be accepted through March 1
