Hill House United is a travel soccer program for more advanced players looking to learn and compete at a higher level. Teams compete in the Boston Area Youth Soccer League and play other local travel teams. Playing requires a significant commitment due to the travel involved. All travel is limited to the Greater Boston area. Players must have tried out and made the team before registering. Contact mcaldera@hillhouseboston.org to learn more.
PROGRAM DESCRIPTIONS

All programs run for 10 weeks at 45 minutes unless otherwise noted.

Hill House In-House Soccer Leagues
Hill House’s in-house fall soccer leagues give players the opportunity to play soccer in a supportive and rewarding environment that emphasizes fun, teamwork and skill-building. Each year this attracts young soccer players from across the city at all age groups to compete, make friends and learn new skills. Players of all abilities are welcome and all teams will have weekly practices and game while representing their team — of which they will receive a full team jersey!

STEM (SCIENCE, TECHNOLOGY, ENGINEERING AND MATH)

Science Experiment Explorers (3-5 years)
Mondays | 3:15 and 4:15
Your curious scientist will be exposed to all sorts of experiments in this class! Learn how clouds are formed and watch a rainstorm in a bottle! Get the chance to see what happens when vinegar and baking soda combine and discuss density as we see which objects sink or float and delight as colors dance as they pass through a prism. Look forward to getting your hands messy as we explore all that science has to offer! Please note: this is a drop-off class. All participants must be potty-trained.

STEM Investigators (6-8 years)
Wednesdays | 4:30
Explore, in a scientific manner, issues from around the world and work on solutions through fun and thought provoking experiments. Using a mixture of STEM practices, children will work together to build skills, think broadly and enjoy solving problems. The real world aspects will open children’s horizons to global thinking.

3:00 (3-5yrs)
3:45 (5-6yrs)
4:30 Beginners (6-12yrs)

THEATRE
Musical Theatre (7-10 years)
Tuesdays | 4:00-5:30
This class is for students who want to take the next step in their theater journey and rehearse and perform a scripted show chosen by instructors and students. In this class, students will learn and apply script analysis, character development and techniques of stage performance to the rehearsal process which will culminate in a final performance open to the community.
