Drop-Off and Pick-Up Procedure and Teddy Ebersol's Red Sox Fields

If you are driving:

Pull into the parking lot. There will be Hill House staff member (easily spotted in their staff shirts) to direct you forward toward a parking space. Park, and walk as if you are exiting the parking lot on foot (away from the river). Turn right onto the sidewalk and walk in front of the DCR pool house building along the westbound side of Storrow Drive. Enter the open fence to TERSF and your camp staff will be there to greet you!

Please do NOT leave your vehicle in the lot during camp. There is a strictly enforced 2 hour parking limit. The Department of Conservation and Recreation can and WILL have your car towed.

If you are walking:

From the Footbridge at Blossom Street, you will head westbound along the sidewalk of Storrow Drive, going with the traffic, keeping the DCR pool house on your right. Enter the open gate to the TERSF Fields and your camp staff will be there to greet you.

From the Footbridge at the end of Charles Street you will head eastbound along the sidewalk of Storrow Drive, going against the traffic, away from the community boating sailboats. KEEP walking on the sidewalk along the fence of TERSF until you see our staff near the baseball field that is closest to the Storrow Drive side fence (there are several baseball fields on the property).
