Players all receive a hat, jersey and will be assigned to a team.

### Girls AAA Softball – Player Pitch (8-12 years)

Thursdays | 5:15-6:15

Building on the principles taught in AA Softball, the AAA program will test girls with their ability to hit live pitching from other players. Our athletics staff and volunteers will lead these teams and help teach new concepts such as positional defense, hitting techniques and pitching mechanics. Clinic

based practices will be combined with games during our one weeknight session. Players all receive a hat, jersey and be assigned a team. Travel games against the North End will be an option as well during the season.

## STEM (SCIENCE, TECHNOLOGY, ENGINEERING AND MATH)

### Science Experiment Explorers (3-5 years)

Mondays | 3:15 and 4:15

Your curious scientist will be exposed to all sorts of experiments in this class! Learn how clouds are formed and watch a rainstorm in a bottle, see what happens when vinegar and baking soda combine, discuss density as we see which objects sink or float and delight as colors dance as they pass through a prism. Look forward to getting your hands messy as we explore all that science has to offer!

**PLEASE NOTE:** this is a drop-off class. All participants must be potty-trained.

### Storybook STEM (3-5 years)

Tuesdays | 4:00

Begin your child's exploration into STEM through a fun, story based exploration of engineering and much more. Solve problems and test out "what ifs" from your favorite childhood stories. With different stories and age appropriate tasks each week your little one will be amazed what they can achieve.

**PLEASE NOTE:** this is a drop-off class. All participants must be potty-trained.

## TENNIS

### Tennis Club (4-12 years)

Tuesdays, Wednesdays & Thursdays

3:00 (3-5 years)

3:45 (5-6 years)

4:30 Beginners (6-12 years)

5:15 Intermediate/Advanced (7-12 years)

Grab your racquet and head to the Boston Common tennis courts to build your skills. Open to beginner and strong players alike as the individual attention from our instructors will challenge players at their own individual skill level. We are happy to have expanded this program to multiple classes this spring, which will develop each player's "love" for tennis. Taught by experienced Tennis Pros.

## THEATRE

### Musical Theater & Arts (6-9 years)

Wednesdays | 4:00-5:30

Explore the art of musical theater, set and costume design! The first part of this class will be spent in our Performance Hall (the Main Assembly Room, of course!) learning lines and songs, blocking and choreography. Next, participants will travel up to the art room, where they'll work to create backdrops, props, and other inspired works of art to complement their theatrical work.

## TUMBLING & MOVEMENT

### Jungle Gym (4-6 years)
