What information do I need to provide to confirm my rental?

- Upon request, we will put a tentative hold on the rental space and email you a rental information packet.
- To confirm your rental and guarantee your hold on the space, you must submit the following to Hill House no less than two weeks prior to the date of your event. If you fail to submit this material at least two weeks in advance, we reserve the right to release your reservation:
 - A signed copy of the Rental Agreement (attached)
 - A check for payment in full of the rental fee indicated on your agreement
 - A separate check for your \$100 deposit
 - Liquor Liability Insurance Certificate (if you plan to serve alcohol)

Will a Hill House staff member be available to help with my event?

- A member of the Hill House staff will be on hand to provide basic support. They will ensure that you get into the building, find what you need, and will help in an emergency.
- Depending upon availability, a Hill House Instructor or Coach can run activities or games at your event for an additional \$60/hour staffing charge. Hill House gym equipment cannot be used without an Instructor/Coach present.

How late can my event run?

- Because this is a residential neighborhood, all rentals must conclude by **10:00 pm** (not including clean up).

Where are tables and chairs stored?

- At the Firehouse, tables are stored in an alcove in the blue room on the bottom floor. Chairs can usually be found on racks in the basement hallway. Ask the staff person for assistance.
- At 74 Joy Street, tables (with adjustable heights) are stored in the cafeteria. Adult sized chairs can be found in cabinets in the cafeteria and child chairs are stacked to left side of the room. Chairs **MUST** be returned to their original locations. Please do not allow chairs or tables to block fire exits in the gym.
- Please return all tables and chairs to their original location at the end of your event. Tables used at Joy Street must return to their original height.
- **Note:** The Firehouse elevator can be used to bring items up from the basement or down from the second floor.

Do you have smaller tables for children?

- The tables at Joy Street are adjustable to different heights. Firehouse tables cannot be adjusted. We have a limited number of child-sized chairs, especially at the Firehouse.
- At the Firehouse, you may bring the child-sized chairs and/or stools from the art room but please return them when you are finished with them.

May I use the kitchen?

- You can use the refrigerator, freezer and oven during your event. It may be possible for you to have access to the kitchen prior to your event. Please contact Hill House to discuss your needs and confirm any early access to either building.
- **PLEASE TAKE ALL LEFTOVER FOOD, DRINK, CUTLERY, PLATES AND DECORATIONS WITH YOU WHEN YOU LEAVE.**

Are there any food restrictions?

- **74 JOY STREET IS A “NO NUT” FACILITY.** If your event is taking place at 74 Joy Street, do not bring any nuts, nut oils, or products containing nuts into the building. The nursery school in the building has students with severe nut allergies who use the cafeteria and gym on a daily basis.
- There are no food restrictions at The Firehouse (127 Mt. Vernon Street).

May I serve alcohol?

- If you intend to serve alcohol at your Event, you must contact APD Bar Service ([617] 244-1000 / www.bartendingservice.com) to hire a professionally trained bartender and to request a liquor-liability insurance certificate. The only exception to this requirement is children’s parties, where parents may consume a very minimal amount of beer or wine.

Does Hill House provide party supplies?

- Hill House does not provide any supplies other than tables and chairs.
- In a pinch, you may use utensils, plates, pans, and other supplies in our kitchen, but please make sure they are clean and put away when finished.

What should I do with my trash?

- You must take ALL your trash and unused supplies with you when you leave. We don't have enough space to store or dispose of trash and leftover items from rentals. Thank you for your cooperation. **Tip:** Bring heavy-duty trash bags.

Do I need to lock up before I leave?

- All doors and windows must be locked. **Tip:** Lock the big double door (Firehouse) after your guests arrive to prevent people from walking into your party and to assure the building is locked when you leave. **Please double check that all doors and windows are closed and locked before you leave.**
- You DO NOT need to set the alarm. The Hill House staff member will do this for you.

May I adjust the temperature in the building?

- Please ask the staff member on hand to help you adjust the temperature.
- The thermostat for the first floor is located outside the electrical closet off the kitchen.
- The thermostat for the second floor is located in the hallway supply closet near the top of the stairs.
- The switch to operate the ceiling fans in the Firehouse is on the wall next to the storage closet on the first floor (near the stairs leading to the basement).

May I decorate?

- If you plan to use anything more than standard decorations (table cloths, streamers, balloons, etc.), please clear your plan with [Beth Jameson](#).
- Do not use decorations that could damage or deface the building in any way. Decorations should **never** be nailed or tacked to walls, floors or ceilings.
- Remove ALL decorations and adhesives at the end of your event.
- Decorations that create a fire hazard, such as sparklers or smoke machines, are prohibited. Candles are prohibited, except for standard birthday cake candles.

May I have music or entertainment?

- Live bands are prohibited. All other types of music and performances must be cleared with [Beth Jameson](#) and must be consistent with Hill House's mission as a family-friendly community center.
- If approved, please do not play music loud enough to disturb the neighbors. If neighbors or the staff member asks you to reduce the noise during your event, please do so.

What happens if I trip the burglar alarm?

- The Hill House staff member on hand can disarm the alarm before it triggers any response from our security company. Otherwise, guards from Elite Protective Services will respond. Please provide them with identification, if asked, explain why you are in the building, and direct them to the Hill House staff member on hand for confirmation that you are authorized to be there. The guards may call Executive Director Lauren Hoops-Schmieg to confirm your authorization.
